WY 309g RH Proposal - Action Memo 5-21-13 rev 1.docx

Attached is the action memo incorporating Sara's and Callie's comments. Laurel, I went ahead and incorporated the "stringent" comment from Sara in the communications section – we can discuss with Carl if you want. Callie prefers leaving out the notification table and just relying on the comm strat. She also prefers the Tue notification strategy for all of our calls. Sara thought we could hold off notifying litigants until Tue also but she was going to double check.
